

March 30, 2022

All Local 37 Members,

The “Local 37 – 30 Year Club” would like to invite any Local 37 Journeyperson, regardless of service years, the opportunity to join this club. The club will be re-named the “Local 37 Social Club”. The cost for this membership is \$40 per year and it includes two luncheons – one which is a “members only” luncheon and one event which is for the member and a guest. We sell 50/50’s at every Union meeting and sell raffle tickets for crabs every year to keep the cost of membership down.

Our luncheons provide good food, cold drinks, and a chance to catch-up to other members who you may have worked with or haven’t seen in a while. The opportunity to get everyone in the same room and enjoy conversations outside of work, is priceless.

Our next event will most likely be sometime in June and it will be our members only luncheon. Details have not yet been finalized.

If you are interested, please call 443-324-4621. Hope to see you at our next event!
